SUMMER WITH A TWIST

We now have two summer programs!

2) Summer With a Twist Theatre Intensive!

This program is designed for student aged 12-15 and entering grades 7, 8, and 9 in Fall 2026.

Refine your skills, grow your confidence, and deepen your stage presence. Theatre with a Twist's Theatre Intensive is a hands-on, fast-paced program designed to help performers grow from the inside out.

Participants will strengthen theatre fundamentals, build confident stage presence, and develop skills that extend beyond the stage. The intensive emphasizes a positive, empowering mindset—in theatre, it's not “you're not right for the part”; it's “the part isn't right for you.” Students will learn that theatre is a team sport, grounded in collaboration, respect, and support.

Daily classes in acting and musical theatre are combined with active rehearsal for a full production. Performers will practice using their outside voice inside, create backstories for their roles, and explore the creative process beyond performing.

Opportunities may be available to direct or choreograph, along with hands-on experience in setting the stage, including props, costumes, and set painting.

This is an intensive program that moves quickly and expects students to be focused, flexible, adaptable, and responsible. Participants must be prepared to commit daily time outside the intensive to memorize lines, leading to a full production performance on the final day.

If you're ready to take your skills to the next level, this intensive is your chance to learn, create, and shine
